

Custom Solutions

Why ZAGG?

EMPOWERING YOUR MOBILE LIFESTYLE

Life doesn't slow down just because you have low battery. At ZAGG, we create mobile power and productivity solutions to keep you moving forward with limitless momentum.

ZAGG is known for category-leading innovations. Our elite portfolio of products optimizes your mobile devices and unlocks next-level productivity. And now you can partner with ZAGG to help make that happen.

*Products shown does not guarantee they can be customized.

Solutions

Customized products are a great way to reward loyal customers, say 'thank you' to valuable partners, and reinforce relationships. Custom-branded ZAGG digital power products stay on people's desks and remind them of you, every time they charge.

Corporate Gifting
Show your appreciation.

Loyalty Programs
Reward loyal customers, fans, and more.

Promotions
Make your promotions memorable.

Membership Programs/Swag
Promote membership and stay memorable.

Capabilities

Today's workforce relies on mobile devices to stay connected and productive. ZAGG's mobile power solutions support the digital devices we depend on. Now you can offer these mobile power solutions with custom branding and logos.

At ZAGG, we handle all custom orders in-house. There's no outsourcing so every aspect of it is overseen by ZAGG team members who know the products best.
