USER MANUAL

**Warranty**

At mophie, we are dedicated to making the best quality products. To back this up, this product is warranted for two years. This warranty does not affect any statutory rights that you may be entitled to. Keep a copy of your purchase receipt as proof of purchase. Be sure to register your product at [mophie.com](http://mophie.com). For full details regarding warranty terms and exclusions, please visit: [mophie.com/warranty](http://mophie.com/warranty).

**Exclusions & Limitations**

Except for the limited warranty expressly set forth or to the extent restricted or prohibited by applicable law, mophie expressly disclaims any and all other warranties express or implied, including any warranty of quality, merchantability, or fitness for a particular purpose, and you specifically agree that mophie shall not be liable for any special, incidental, indirect, punitive, or consequential damages of any type on any mophie product. In addition to and without limiting the generality of the foregoing disclaimers, the limited warranty does not, under any circumstances, cover the replacement or cost of any electronic device or personal property inside or outside of the mophie product.

You may have additional warranty rights depending on your country, state or province. Further, some countries, states and provinces do not allow the

exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of implied warranties, so the above may not apply to you. If any provision of the warranty is found unlawful, void or unenforceable, that provision shall be deemed severable and shall not affect any remaining provision.

## **IMPORTANT SAFETY INSTRUCTIONS**

### **Warning**

Read all instructions and warnings prior to using this product. Improper use of this product may result in product damage, excess heat, toxic fumes, fire or explosion, for which damages you ("Purchaser"), and not mophie llc ("Manufacturer") are responsible.

- ☒ Before using your juice pack battery case for the first time, fully charge it (so that pressing the charge status button lights all four status LEDs).
- ☒ Do not store product in high-temperature environment, including heat caused by intense sunlight or other forms of heat. Do not place product in fire or other excessively hot

environments. Exposure to fire or temperature above 212°F (100°C) may cause explosion.

X-Ⓢ Be cautious of drops, bumps, abrasions, or other impacts to this device. If there is any damage to the device such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use. Contact Manufacturer or dispose of it in an appropriate manner at your local battery-recycling center.

X-Ⓢ Do not expose the battery case to rain or snow.

X-Ⓢ Do not put fingers or hands into the product.

X-Ⓢ Do not disassemble this device or attempt to re-purpose or modify it in any manner.

X-Ⓢ For questions or instructions for the various ways to charge this device, refer to the illustrations in this quick-start guide.

X-Ⓢ Use of a power supply or charger not recommended by mophie may result in a risk of fire or injury to persons.

X-Ⓢ Do not use the battery case in excess of its output rating. Overloading outputs above rating may result in a risk of fire or injury to persons.

X-Ⓢ Do not attempt to replace any part of this device.

X-Ⓢ All products have gone through a thorough quality assurance inspection. If you find that your device is excessively hot, is emitting odor, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Manufacturer.

- ⓧ If this device is accessible to or may be used by a minor, purchasing adult agrees to be solely responsible for providing supervision, instruction, and warnings. Purchaser agrees to defend, indemnify, and hold Manufacturer harmless for any claims or damages arising from unintended use or misuse by a minor.
- ⓧ Never dispose of batteries in the garbage. Disposal of batteries in the garbage is unlawful under state and federal environmental laws and regulations. Always take used batteries to your local battery-recycling center.
- ⓧ Switch off the battery case when not in use. The battery case will automatically switch off when disconnected from a device.
- ⓧ To comply with FCC RF exposure compliance requirements, the wireless charging battery case must be used with a separation distance of at least 10 cm from all persons.

## **SAVE THESE INSTRUCTIONS**

### **Legal**

This product is meant for use only in conjunction with the appropriate device. Please consult your device packaging to determine whether this product is compatible with your particular device. Manufacturer is not responsible for any damages to any device incurred through the use of this product.

Manufacturer shall not in any way be liable to you or to any third party for any damages you or any third party may suffer as a result of use, intended or unintended, or misuse of this product in conjunction with any device or accessory other than the appropriate device for which this product is designed. Manufacturer will not be responsible for any damages you or any third party may suffer as a result of misuse of this product as outlined above. Purchaser agrees to defend, indemnify, and hold Manufacturer harmless for any claims or damages arising from unintended use or misuse, including use with an unintended device.

This device complies with part 15 of the FCC Rules and RSS-Gen of IC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device

must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

**CAUTION:** To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be used with certified peripherals and shielded cables. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio or reception.

**MODIFICATION:** Any changes or modifications of this device could void the warranty.

**RF Specifications:**

RF Range: 110 kHz – 146.5 kHz

RF Power: 59.93 dB $\mu$ V

RF Field Strength: 67.59 dB $\mu$ V/m

**STATEMENT OF COMPLIANCE:**

Hereby, ZAGG International declares that the radio equipment wireless charging device is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following Internet address: [http://www.mophie.com/cert\\_red](http://www.mophie.com/cert_red).

 **WEEE DECLARATION:** All of our products are  marked with the WEEE symbol; this indicates that this product must NOT be disposed of with other waste. Instead it is the user's responsibility to dispose of their waste electrical and electronic equipment by

handing it over to an approved re-processor, or by returning it to mophie for reprocessing. For more information about where you can send your waste equipment for recycling, please contact mophie, inc. or one of your local distributors.

THIS DEVICE CONFORMS TO UL STD. 60950-1.  
CERTIFIED TO CSA STD. C22.2 NO. 60950-1. CONFORMS  
TO UL SUBJECT 2056.
